Profile

Dynamic and motivated TYBSc IT student with a strong passion for software development. I am driving to continuously expand my skills and take on new challenges. Known for a keen problem-solving mindset and enjoying tackling Complex technical issues. Committed to delivery quality results and contributing to the growth of any team I join. Eager to apply my knowledge and enthusiasm to make a meaningful impact in the tech industry. Committed to continually advancing my education with plans to pursue and MCA degree in the future to further deepen my knowledge and expertise.

Employment History

Fresher , Mumbai

Education

Bachelor of Science, KES SHROFF COLLEGE, Mumbai

June 2023 — May 2025

I am currently pursuing a BSc.IT degree from KES Shroff college and I'm in my third year of my study. With a strongest interest in advancing my career in technology, I plan to pursue an MCA course in the future to further enhance my skills and knowledge in this field.

Courses

Bot Development, KES Shroff college
